

CAMP KANGAROO

Seasons Hospice Foundation
Camp Experience

Where Children Find Comfort, Camaraderie and Hope After Loss

CAMP KANGAROO is a free camp experience providing a supportive and therapeutic environment for children and teens who have experienced the death of someone close to them.

LED BY DEDICATED PROFESSIONALS and trained volunteers from Seasons Hospice & Palliative Care, Camp Kangaroo provides a unique opportunity for campers to build relationships with one another helping them to feel less alone in their loss. Participants will receive grief education and emotional support combined with fun camp activities.

WHO SHOULD ATTEND: Children ages 5-17 who have experienced the loss of a loved one in the last two years. Since children experience grief in their own unique way, our campers may be at different stages of the bereavement process. Upon completion of the Inquiry Form below, one of our staff will contact you to complete an interview that will help our team to meet each individual camper's needs.

This camp was made possible by the generous contributions of patients, families, and friends to the Seasons Hospice Foundation and offered to the community in partnership with Seasons Hospice & Palliative Care.
