

A Seasons Hospice Foundation Program
in Collaboration with AccentCare Hospice

Camp Kangaroo

is a *free* bereavement camp providing a supportive and therapeutic environment for children who have experienced the death of someone close to them.

Led By Dedicated Professionals

and trained volunteers from AccentCare Hospice, Camp Kangaroo provides a unique opportunity for campers to build relationships with one another, helping them feel less alone in their loss. Campers will receive grief education and emotional support combined with fun camp activities.

Who Should Attend?

Children and teens 5-17 who have experienced the loss of someone close to them in the last three years. Since children experience grief in their own unique way, our campers may be at different places in the bereavement process. Upon registration, one of our clinicians will contact you to complete an interview that will help our team to meet each individual camper's needs.
